

Arihant Mills®

Dear All,

We experience great pleasure to present you, **Arihant Mills®** the leading Brand in Textiles! **Arihant Mills®** is well known not only for Hankies but also for Cotton Sarees and Socks. We make hundreds of various designs in Cotton Hankies every season. Every such design has many colours. We just can't keep count of varieties and designs now!

For the sake of overwhelming request of Agents, Retailers and Clients from all over India, here, we present you a short and simple catalog of some of our Handkerchief Designs. Kindly understand that, we, at **Arihant Mills®**, work continuously and update ourselves with the market needs. So our designs do not remain the same over a period of time. This creates a hurdle in producing a catalog.

Here, we present a few photographs of a very few Designs from some of our evergreen Hankies. We have categories of Handkerchiefs like-

- Gents Hankies Casual Use
- Gents Hankies Exclusive Use
- Gents Hankies Sober White
- Gents Fancy Hankies
- Gents Hankies in Colours
- Ladies Hankies Casual Use
- Ladies Hankies in Various Colours
- Ladies Hankies in matching Saree Colours

Since we are the manufacturers, it's easy for us to deal in all sizes of Hankies. We have Hankies not only in all regular sizes but also some peculiar sizes. Our Hankie sizes range from 52 inches (132 cm) to 68 inches (173 cm). It is very frequent for us that a customer has a bulk quantity requirement and a custom Design requirement. In such cases, we have catered the client to their Satisfaction.

Please go through this file, have a look at the sample designs and let us know if we can help you with anything. We look forward to do business with you...

Some important points about packaging -

We, **Arihant Mills**[®] are a registered Trademark. Hence we are allowed to use our Symbol and Name on our Product Packaging. If you also have such a registered trademark and wish to have your packaging names, kindly contact us first.

We generally make a package of 12 Hankies as a set. Since we are the manufacturers and deal with huge quantities, we currently do not offer much flexibility in packaging for small orders. In the future, we plan to offer flexible packaging but currently, unless there is a recurring order and bulk requirement, we can't provide special packaging. The two main packaging schemes we have are as follows:-

1. Loose Packing –

- a. 12 Hankies in a plastic bag.
- b. The 12 Hankies are bound together using two paper labels.
- c. Two or Three Small MRP Stickers on hankies for the attractive display and consumer understanding.
- d. One Big MRP Sticker per set for the convenience of retail sellers.

The other type of packaging we offer is Box packing.

2. Box Packing –

- a. 12 Hankies in a Box.
- b. Within the Box, set of Hankies bound together with two Paper Strip labels.
- c. Two or Three Small MRP Stickers on hankies for the attractive display and consumer understanding.
- d. The Big MRP sticker is on the side of the box so that Retailers can understand the contents without opening every box.
